

Make-A-Wish Metro New York's Circle of Hope is a remarkable group of philanthropists who stand with wish kids as a vital part of their support system. Through their generosity and the healing power of a wish, wish kids are able to replace fear with confidence, sadness with joy and anxiety with hope. Together, we will continue to work toward our goal of ensuring that 100% of children within the five boroughs of New York City and Nassau County who are facing a critical illness are granted a wish.

Circle of Hope is a society that honors individual benefactors who annually contribute \$5,000 or more to Make-A-Wish Metro New York. Membership includes invitations to exclusive events including NYC-based wishes, access to private talks by experts in their field and Make-A-Wish leadership, special news and communications from our chapter, numerous recognition opportunities, and the joy that comes from knowing you forever changed the life of a child and their family.

For more information about the Circle of Hope, contact Chief Development Officer, Rosemary Conder at 212-957-9474 x4513 or rconder@metrony.wish.org.
